

EASTCONN

Where Learning Comes to Life

AGENCY OVERVIEW

Proudly serving the education needs of eastern Connecticut's schools and communities since 1980

ABOUT EASTCONN

Established in 1980, EASTCONN is a public non-profit Regional Educational Service Center (RESC) that provides high-quality, cost-effective educational and related services to 33 towns and 36 school districts in northeastern Connecticut. The agency is governed by a Board of Directors, who are also members of locally elected Boards of Education.

SIX DIVISIONS

- **Adult & Community Programs**
- **Early Childhood Initiatives**
- **K-12 Student Services**
- **Leading & Learning**
- **Organizational Support**
- **Technology Solutions**

MISSION

EASTCONN will initiate, support and facilitate partnerships, collaborations and regional solutions that are responsive to the needs of all learners through exemplary programs, products and services.

GOALS

- To provide exemplary programs and services for learners, especially those with significant barriers, so each can achieve individual success.
- To engage in strategic collaborations that result in positive outcomes for learners.
- To enhance the knowledge and skills of educators and the whole community, so they can effect change and facilitate positive outcomes for learners.
