

## Add+VantageMR® (AVMR) Courses 1 & 2

Hosted by EASTCONN in collaboration with US Math Recovery Council®

Math Recovery Add+VantageMR® Courses are a unique learning approach to professional development for improving elementary numeracy instruction and student achievement of Math Common Core Standards. These hands-on 4-day trainings will deepen teachers' ability to assess students' mathematical thinking and provide innovative, targeted teaching strategies for success. Math Recovery® is not a curriculum, but rather a strategy for helping teachers more effectively use their curriculum, and analyze and modify instructional tasks.
