

EASTCONN

Celebrating 40 Years 1980-2020

March 13, 2020

Good afternoon EASTCONN School Programs and School Parents, Students and Staff,

With the ever-changing landscape of COVID-19, EASTCONN has decided to proactively close all programs and schools beginning Monday, March 16th through Friday, March 27th. While we have no active cases, the decision to close is a measure to slow the spread of the virus. We will reevaluate opening Monday, March 30th and will notify if any additional time off is required.

With the decision to close schools and programs for the next two weeks, we anticipate making days up over the April vacation and extending the calendar year in June.

Please check your community public school website for information on food programs during this duration.

As information becomes available, we will continue to communicate via ChildPlus and COR. Our Family Service staff will be in regular contact with families, as will teachers. Please reach out to them with any questions about activities to do at home.

Thank you for your continued patience as we work together to navigate this unprecedented time.

Sincerely,
