CODE OF CONDUCT
GOVERNING PROCUREMENTS UNDER A FEDERAL AWARD

In compliance with Code of Federal Regulations 2 C.F.R. § 200.318

In accordance with Federal and State regulations, the following Code of Conduct applies to the selection, award, and/or administration of a contract procuring property or services under a Federal award, including the expenditure of Connecticut School Nutrition Program (“School Nutrition Program”) funds by the EASTCONN Board of Directors (the “Board”), employee or agent.

Article I. Purpose

The purpose of this Code of Conduct is to establish standards of conduct covering real or apparent conflicts of interest and governing the actions of Board/EASTCONN employees (“employee”) engaged in the selection, award, and/or administration of contracts procuring property or services under a Federal award, including expending School Nutrition Program funds on goods and/or services. This Code of Conduct also sets forth discipline that may result from violating these standards.

Article II. Code of Conduct Provisions

In addition to other applicable policies and regulations promulgated by the Board, the Board expects the following conduct of all persons who are engaged in the award and administration of contracts supported by Federal funds, including School Nutrition Program funds:

1. No employee, officer, or agent of the Board shall participate in the selection, award and/or administration of a contract supported by Federal funds if a conflict of interest, real or apparent, would be involved. Conflicts of interest arise when one of the following has a financial or other interest in, or a tangible personal benefit from, the firm selected for the award:
 - a. An employee, officer, or agent of the Board;
 - b. Any immediate family member of the Board employee, officer, or agent (spouse, sibling, parent, child);
 - c. A partner of the Board employee, officer, or agent; or
 - d. An organization that employs or is about to employ one of the above.

2. Employees, officers, or agents of the Board shall neither solicit nor accept gratuities, favors, travel packages, incentives or anything of monetary value from contractors, potential contractors, or parties to sub-agreements related to programs funded by the Federal government, in whole or in part.
3. Employees, officers, or agents of the Board shall disclose any actual or potential conflict of interest to the Executive Director or designee. Thereafter, as required by law, the Board shall disclose in writing any potential conflict of interest to the Connecticut State Department of Education.

Failure of any employee to abide by this code of conduct may result in disciplinary action, up to and including termination. The Board reserves the right to pursue legal actions for violations as permitted by law.
