

Arcadian Harvest Emerald

Arcadian Harvest Emerald Salad with Watermelon, Cucumber & Feta Cheese

Arcadian Harvest Emerald® is the first all-green lettuce salad blend since chopped romaine. A blend of two green leaves with a sweet crisp bite and sophisticated leaf shape, it is an ideal choice for today's upscale salads.

FEATURES & BENEFITS

- Plate ready! Washed & ready to eat
- Minimal preparation time
- Unique European Lettuce species bred from Green Leaf, Batavia and Oak Leaf lettuces
- Fully mature (grown 60+ days), petite whole leaves that are more robust than baby lettuces
- Single cut, once at the heart, eliminating the pinking often seen in chopped lettuces
- All-green color allows easy transition from current Romaine or Iceberg usages
- Modified atmosphere packaging (MAP) helps shelf life performance while limiting pink coloring on leaf lettuce cut ends

YIELD & APPLICATION

- 1 oz serving of Arcadian Harvest Emerald has the same plate coverage as about 3 oz of Romaine or Iceberg, providing attractive cost per serving
- Bright green finish more colorful than chopped romaine
- Provides the flavor profile of European lettuce varieties - sweet and mild
- Versatile for use in salads, wraps or sandwiches
- Multidimensional nature of leaves provides unmatched lift on the plate
- Perfect for 'grab and go' salads - does not discolor like pre-cut lettuce

ARCADIAN: rural, rustic, or pastoral, especially suggesting simple innocent contentment
