Policy #6012.1.1

Examination/Grading/Rating

The EASTCONN Board of Directors seeks, through performance objectives in its instructional program, to make achievement both recognizable and possible for students.

The issuance of grades on a regular basis serves to promote a process of continuous evaluation of student performance, to inform the student, the student's parents and counselor of his/her progress, and to provide a basis for bringing about change in student performance, if such change seems necessary.

Students enrolled will participate in any state-wide Standardized Assessment Program.
